Got it, thx. Then can you check when Thursday or Friday might be best for Mark and then compare that with whenever you are heading back on Friday and maybe some good times Thursday. Thanks

On this one that would be my recommendation. I know it's in the weeds but appropriate for the RA in this case.

Ok great, assuming you all think the RA needs to be on a staff-level update.

Hi Carolyn,

Yes, I'm in town. Sounds good. Let's have Mark Hague and Mary Peterson join the call from R7.

Hi Randy and Curtis,

House Energy and Commerce Committee Democratic staff would like to schedule a call this Thursday or Friday to discuss [Rep. Clay's bill](#), proposing transfer the cleanup of the West Lake Landfill Superfund site to the Army Corps, to get better understanding of the site and the current issues.

Curtis- are you going to be in DC for the PAD/OCIR meeting? If so, let's try to find a break in the schedule to do this call, and I'll defer to you and Randy to id any additional OLEM/OSRTI and R7 folks to participate if needed.

Thanks,  
Carolyn
